REVENUE DEPARTMENT

Estates - Whole Inam villages which became estates under the Madras Estates Land (Third Amendment) Act, 1936 - List.

Information regarding the total number of whole inam villages in this Province which became estates under the Madras Estates Land (Third Amendment) Act, 1936 was not available in this Department. Under oral instructions from Secretary, the Board of Revenue in its reference on page 1 c.f. called for the information from all Collectors. Reports have been received from all Collectors and it is found that the total number is 5,232 - vide list at (J). The Collector of West Godavari has stat that there is no material to prepare the list in the absence of th findings of the Tribunals referred to in section 185 (a) of the Estates Land Act. The Collector of Ramnad has reported that the number of villages in question is 1,988. The total number for the whole Province has all along been estimates to be in the neighbourhood of 4,000.

Prima facie:- It would therefore appear that the figure furnished by the Collector of Ramnad may not be correct. The Collector may perhaps have furnished the total number of all inam villages in his district. This may be got clarified by a referenc to the Collector. Subject to orders, a draft Memorandum is submit for approval. Hon'ble Minister (Land Revenue) may see after issue

From the Collector of Ramnad, letter No. L.Dis. 15706/48 dated 24.9.1948.
From the Collector of West Godavari, D.Dis. 8499/48 dated 25.9.1948.

Notes from page 1 ante and the Ramnad Collector' letter on pages 106-107 c.f. and the West Godavari Collector's letter on page 108 c.f. may be perused. With reference to 'A' on page 107 c.f. and 'B' on page 108 c.f. the list at (J) has been amended accordingly. The total number of whole inam villages which became estates under the Third Amendment Act, 1936 comes to 3,250 as per reports of the Collectors. Even this figure does not seem to be near the truth, if the assumption all along made that the number is in the neighbourhood of 4,000 is to be conceded. No further action seems, however called for in this file, in view of the fact that clause 8-A of the Abolition Bill as passed by the Assembly provides for the machinery to decide which became an estate by virtue of the 1936 Act and which was already an estate. The papers may be recorded.
